Absent: Stack

**New Business:**

Passing out of recreation related materials:

The board received packets that contained the approved Vassar Township Master Plan of 2003, Approved Parks & Recreation Master Plan by Vassar City, Vassar Township, and Tuscola Township from 1999, City of Vassar Parks & Recreation Master Plan 2010-2014, City of Vassar Park & Recreation Committee Meeting minutes from 2012 and 2013, and Vassar Township Opinion Survey results from 2005.

Discussion of Recreation Plan:

The Master Plan of 2003 seems to be the one reapproved by the Planning Commission in 2009—the list of names is out of date. Janice Zawol discussed the Greenway Project working on improving the quality of the Cass River. Its next meeting is at Vassar City Hall at 1:00pm on April 10, 2013. Beth Ann Fall called the township indicating she is interested in being involved. Some topics introduced were a walking trail, work on the river and a park on Washburn Road.

**Public Comment:**

Fred Welsh asked the township to consider other activities as well, such as improving the community's internet access.

Onna Clinesmith suggested the township acquire property along the river from the *(amend) DNR DNA*.

Janice Zawol suggested the township look for grants on the internet.

Onna Clinesmith added that the Parks and Recreation Committee should be opened up to the public.

Motion by Forbes, supported by Clinesmith to adjourn.  
Vote 4-0, MOTION CARRIED.

Meeting Adjourned at 6:58pm.

Minutes prepared by Clerk Clinesmith.
