New Business:

Public Comment:

Bruce suggested that the two resolutions, i.e. Resolution 01-2020 EC Delegation of Duties & Resolution 02-2020 EC Vassar Township Receiving Boards, should be discussed at the meeting.

Discussion ensued regarding obtaining plexiglass for the table where the election workers sit. It is very expensive. Deborah Pounds mentioned that poster plastic was mentioned at last week's meeting with Jodi. Possibly obtained at Walmart or Hobby Lobby. If we could obtain such item, then Bruce Foether mentioned he would help make a base for the plexiglass or poster plastic.

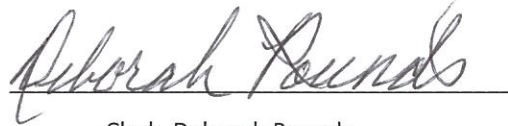

Motion to Adjourn by Deborah Pounds, Seconded by John Stack.
