To All The Electors

I would like to start by saying thanks to all of the people that worked with us through Covid. During this time we were still working for you to keep the Township running. I would like to thank the Planning Commission , Parks and Recreation, and the ZBA for trying to hold meetings and to keep working at your jobs. I would like to thank Nancy Zuzula on her job of Zoning Administrator. I would also like to thank Amy for working from home and at the office. Also thanks to the Clerk and the Treasurer and our Trustees.

This year we added power and the internet to the park. The internet is available for the public to use.

Supervisor Bruce Foether
