Move to Planning Commission action on Bud Bundy renewal:

Mailings and posting all done

No violations or complaints made about property

Straight renewal

Ben Partridge questioned whether name of property owner should be on form, why both boxes are checked

Devin Foether pointed out it is on the second page, should only sign "lessee" by applicant, but, applicant owns the LLC that owns that property

Does not have city or state on application, it on page 1 but not page 2

Ben Partridge states that they need to fill out the form properly and completely

Devin Foether states that address need to be updated

Nothing further

Jelli D:

The Board questions why did it lapse

Denise, Attorney for Welson Sarkis, states that it is an ownership change application not original LLC bought Jelli D enterprise and 2 other companies

Denise is not sure why it lapsed, but LLC stepped in and bought property and entity itself

LLC owners have other working facilities in Michigan

Bob Reil asked if previous owner was cited for high weeds

Rachel Rabideau (MC) does not know, stated previous owners were approved two years ago and never came in for renewal

Devin Foether asked if they are planning to use same operation plan that was in place? LLC Owners responded yes, no plans to expand site at this time

Ben Partridge asked if on site plan, proposed building is an existing building? LLC Confirmed yes, this is an old site plan, and that building is currently there

Business shares the drive of Sheridan Road with the two adjacent properties

Devin Foether asked if there are other buildings 100 feet of the lot line to the north? LLC responded no

The Board asks what external lighting is currently on building? Dusk to dawn or motion activated? LLC is not sure

If they are dusk to dawn, Devin Foether said it will need iris to force light down

Bob Reil would rather site plan say "proposed future expansion"

Bob Reil states current lights on business are dusk to dawn

Devin Foether questions unused plant material disposal? LLC states they shred on site and have trash can for cannabis through GFL

The Board mentions that approved well and septic on site is not on site plan

No further questions

**Motion** by Devin Foether to approve Jelli D Enterprise LLC Medical Class A Grower Special Land Use Permit Application with changes to site plan nomenclature, presentation of well and septic permits and update application documents to class A Grow Special Land Use Permit Application, seconded by Ben Partridge

Signage for Kerns:

ZA states it is not a lighted sign, that the sign will be made out of aluminum and that it is further back than previous sign

Devin Foether asked if sq ft is within zoning ordinance? ZA replied yes

Bob Reil states that parcel is not zoned commercial

ZA states it is zoned AFR but taxed commercial

Ben Partridge stating if it's zoned commercial, they can have sign

Devin Foether reads ordinances, and ordinances do not specify any type of zoning

The Board questions if it was ever zoned before or spot zoned prior to zoning ordinance going in that it should have been commercial

As of right now, the sign is too big to meet sign section 1206, but would need proof of home occupation for this to be applicable

ZA states parcel was split; has a commercial building and house that have been divided

Ben Partridge says it becomes a nonconforming use issue

Devin Foether states it is not clear cut and is now a ZBA question

Ben Partridge states it needs to go through an attorney, it's a legal nonconforming property, if she doesn't have an answer then it's a ZBA question

**Motion** by Bob Reil to accept sign permit as presented, seconded by Sam Tester

Addition of a fence on Maple Road:

Vassar Team LLC

Rachel Rabideau (MC) states that proposed fence is double the size of the original one on the site plan

Ben Partridge asked why cant they just put a fence up within their own property

Devin Foether and ZA state because it's a change to the existing site plan

Devin Foether asked if they were removing the existing fence, MC not sure

**Motion** by Devin Foether to allow Vassar Team LLC to add new fencing on site with option to remove existing fencing without future review, seconded by Ben Partridge

Parks and Rec business:

Signage they want to purchase

Parks and Rec made a motion to purchase a two sided sign for Township Park

Cost is \$1,586.82

Bob Reil states he will donate the Pea Rock and brackets for the mounting of the sign

Devin Foether suggests to round cost to \$1,700.00 to cover any other additional costs

**Motion** by Devin Foether to recommend approval of spend of up to \$1,700.00 to purchase new sign and installation materials for park, seconded by Todd Aymer

Public comment:

Troy Eurich (ZA): citation that was wrote for 3867 Crooked Creek, for lawn mowing violation, still needs to go through the court

Address did take care of mowing, but they cannot retract citation

Monica Whitburn asks if the resident with the mowing violation was elderly, ZA replied no, this is a growing facility

Devin Foether welcomes Monica Whitburn to Planning Commission

**Motion** by Devin Foether to adjourn meeting at 8:50pm, seconded by Orville Haurting
